1. Our Agreement

1.1 This document set out the key features and benefits of Your policy under the Dash PET Group Policy ("Group Policy") provided by Us.

Your policy is regulated under the laws of Singapore. It forms the entire legal agreement between You and Us. It is made up of:

- Dash PET Group Policy Contract;
- Your Certificate of Insurance and its terms and conditions;
- Your policy documents including Cover Page (with simple illustration), and Product Summary;
- Your application form;
- Any supplementary questionnaires that You have provided to Us for Our risk assessment purposes, including information in medical reports;
- Your Financial Needs Analysis (if applicable)
- Our offer of conditional acceptance (if any); and
- Any Endorsement(s) We may issue to You on this policy.

We took the information You have provided in the application form, any supplementary questionnaires, medical reports and medical examination to decide whether or not to insure You. The information obtained will form the basis of the contract of insurance between You and Us.

You must disclose all material facts required under this policy. We reserve the rights to void Your policy if You have provided incomplete or inaccurate information. When this happens, We will refund all Premiums paid (less any amounts previously paid to You under this policy) without interest and less any expenses incurred in providing You the policy.

In exchange for the Premiums You pay, We agree to give You the Benefits written on Your Certificate of Insurance and which are explained in Policy Terms and Conditions.

Anyone not directly a party to this contract has no right to enforce the Contracts (Rights of Third Parties) Act, Chapter 53B of Singapore or any statutory modification or re-enactment of the said Act.

1.2 No Restriction on Residence, Travel and Occupation

There is no restriction as to Your residence, travel and occupation, unless We state differently in the Endorsements.

1.3 Policy Currency

All Premiums and Benefits of this policy are in Singapore dollars, unless We state differently on the Certificate of Insurance.

2. Policy Owners' Protection Scheme

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for Your policy is automatic and no further action is required from You. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact Us or visit the Life Insurance Association (LIA) or SDIC websites (www.lia.org.sg or www.sdic.org.sg).

3. Our Responsibilities

This is a single premium, yearly renewable, Non-participating universal life plan denominated in Singapore dollars. It offers the financial flexibility, opportunity for wealth accumulation and the assurance of life insurance coverage through providing death Benefit.

Your policy covers the Benefits described below.

3.1 Death Benefit

Upon death of the Life insured while the policy is in force, We will pay 105% of Account value, less any amounts owing to Us. When We make this payment, the policy ends.

3.2 Account Value

Account value is calculated as:

The single premium paid plus

- a) any ad-hoc Top-up(s); and
- b) accumulated interest;

less any partial withdrawal(s) and transaction fee(s).

Any interest will be credited into the Account value at the end of each calendar month. If the average daily Account value for the calendar month falls below S\$50, no interest will be credited for the calendar month.

3.3 Crediting Rate

For the initial single premium and any Top-up(s) made, the crediting rate will be determined by Us based on the prevailing rate; and 0.0% p.a. for the subsequent years which ensures that Your capital is fully guaranteed each year. Please refer to the Cover Page (with simple illustration) for the prevailing crediting rates from the Policy commencement date.

Interest is calculated based on the daily Account value and credited into the Account value at the end of each calendar month. If the average daily Account value for the month falls below S\$50, no interest will be credited for the month.

We reserve the right to revise the crediting rate from time to time. Any revision in crediting rates will take effect on the 1st business day of each calendar month.

3.4 Top-up(s)

You can make an ad-hoc Top-up to Your policy immediately after the Policy issue date, subject to Our approval.

The Top-up(s) made are subject to the following:

- the Life insured has not reached Age 76 at the top-up(s) date;
- the minimum amount for each Top-up must be at least S\$1 for top-up(s) using Dash Wallet/PayNow and the minimum amount for each Top-up must be at least S\$50 for top-up(s) using eNETS; and
- top-up(s) amount must be in multiples of S\$1; and
- the maximum aggregate amount for all Top-up(s) per policy is S\$30,000 less the single premium paid to Us, plus all partial withdrawal(s) and transaction fee(s).

The Account value will increase by the amount of Top-up(s) made to the policy.

3.5 Surrender Benefit

You may surrender Your policy in full or partially through partial withdrawal.

Upon full surrender, We will pay the surrender benefit in one lump sum which is equivalent to the Account value, less any amounts owing to Us. You may request for a full surrender any time after the free look period.

We reserve the right to delay the payment of the surrender benefit for up to a period of 6 months from the date of the surrender request. We will trigger this right when there is a surge in withdrawals (partial or full) within the Portfolio during a very short period of time.

We will also monitor Your account value and exercise Market Value Adjustment (MVA) at Our discretion to protect the interest of all policyholders and life insureds. This is to ensure those who remain in Our portfolio will not be placed at a disadvantage when others leave. The MVA will only affect the non-guaranteed component of the surrender or partial withdrawal amount, and will not affect any guaranteed component in Your policy.

We will trigger these rights when there is a large surge in withdrawals (partial or full) within the Portfolio during a very short period of time.

3.6 Partial Withdrawal

You may request for partial withdrawal(s) anytime after the Policy issue date, subject to the following:

- The withdrawal amount must be at least S\$1 (or its multiples) per withdrawal; and
- The total withdrawal amount per calendar year cannot exceed S\$200,000; and
- The balance of Account value upon deduction of withdrawal amount and withdrawal charges(if) any, must be at least S\$1; and
- After withdrawal, the average daily Account value for the month must be at least S\$50 to be entitled for interest accrual at the end of the calendar month.

If the average daily Account value for the calendar month falls below S\$50, no interest will be accrued for the calendar month.

Partial withdrawal will reduce the Account value by the withdrawal amount and the transaction fee (if any).

We reserve the right to delay the payment of the withdrawal amount for up to a period of 6 months from the date of the withdrawal request. We will trigger this right when there is a surge in withdrawals (partial or full) within the Portfolio during a very short period of time.

We will also monitor Your account value and exercise Market Value Adjustment (MVA) at Our discretion to protect the interest of all policyholders and life insureds. This is to ensure those who remain in Our portfolio will not be placed at a disadvantage when others leave. The MVA will only affect the non-guaranteed component of the surrender or partial withdrawal amount, and will not affect any guaranteed component in Your policy.

We will trigger these rights when there is a large surge in withdrawals (partial or full) within the Portfolio during a very short period of time.

3.7 Yearly Renewability

This is a yearly renewable plan and the policy term is 1 year. At the end of 1 year policy term, this policy will be renewed automatically for another 1 year at the same conditions on the expiry date before renewal, so long as the following conditions are met:

- (a) this policy is in force on the expiry date before the renewal; and
- (b) the Life insured has not reached Age 100 at the renewal date.

We reserve the right to terminate Your policy by giving you 90 days' notice. Upon termination, We will refund the Account value, less any amounts owing to Us.

3.8 Maturity Benefit

At maturity date on the policy anniversary immediately before the Life insured attains 100 years old, if the policy is still in force, the maturity benefit payable is the Account value less any amounts owing to Us.

Material facts required under this policy that were not disclosed when required for applying for a new policy may result in Your claim being rejected. When this happens, We will refund all Premiums paid (less any amounts previously paid to You under this policy) without interest and less any amounts owing to Us as well as any expenses incurred by Us in providing You the policy.

6.2 Who do We pay Benefits to

Based on the correct Age, gender, smoker status and/or country of residence, if You are not eligible to apply for this policy, We will not pay any Benefits and the policy will be terminated.
