² The Singapore Prospectus is available from the Singapore Representative during its normal business hours. Alternatively, please go to an appointed distributor or www.pimco.com for more information.

³ For ILP sub-fund that feeds 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

<p>Although there is no minimum credit rating requirement for MBS, below investment grade MBS will be taken into account when calculating the aforementioned 15% limit in below investment grade securities. The Fund may invest up to 25% of its assets in Fixed Income Instruments which are economically tied to emerging market countries, of which some securities may be below investment grade subject to the limits described above.</p> <ul style="list-style-type: none"> • The fund will utilise a global investment grade credit strategy that seeks to deploy the Investment Advisor's total return investment process and philosophy. • The fund may use derivative instruments such as futures, options and swap agreements and may also enter into currency forward contracts. Such derivative instruments may be used (i) for hedging purposes and/or (ii) for investment purposes and/or (iii) efficient portfolio management. • The fund is considered to be actively managed in reference to the Index, which the Fund uses for duration measurement, calculating its global exposure (using relative VaR methodology) and performance comparison purposes. However, the Index is not used to define the portfolio composition of the Fund or as a performance target.
