Policy Owners' Protection Scheme:

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact us or visit the Life Insurance Association (LIA) or SDIC web-sites (www.lia.org.sg or www.sdic.org.sg).

Nature and Objective of the Plan:

This is a Single Premium, yearly renewable, non-participating universal life plan denominated in Singapore dollars. It offers financial flexibility, opportunity for wealth accumulation and life insurance coverage. You may add optional supplementary riders to this policy for extra protection and wealth accumulation needs.

The minimum and maximum Single Premium you can apply for Dash PET 2 are S\$50 and S\$50,000 respectively.

Plan Benefit:

Account Value

Account Value is calculated as:

The Single Premium paid plus

- (a) any ad-hoc Top-up(s); and
- (b) accumulated interest; and
- (c) payouts from Dash PET Plus and other Riders that go into Your Dash PET 2 Account;

less

- (d) Insurance cover charge of the optional supplementary riders You added; and
- (e) payments made to Dash PET Plus and other Riders through deductions from Your Dash PET 2 Account; and

- (f) any partial withdrawal(s); and
- (g) any transaction fee(s)

Interest will be calculated based on the first S\$50,000 of the Account Value. For any amounts above S\$50,000, no interest will be given.

Crediting Rate

We give a crediting rate to Your policy expressed as a percentage of the first S\$50,000 of Your Dash PET 2 Account Value. The crediting rate does not apply to the Account Value of Dash PET Plus and other Riders. Please refer to the Cover Page (with simple illustration) for the prevailing crediting rates from the Policy commencement date.

Interest is calculated based on the daily Account Value and added to the Account Value at the end of each calendar month. If the average daily Account Value for the calendar month falls below S\$50, no interest will be given for the calendar month.

The crediting rate is not guaranteed and may increase or decrease, at our discretion, depending on the performance of the underlying asset portfolio, specifically identified and managed for your product series only, subject to a minimum of 0% which ensures that Your capital is fully guaranteed each year. We reserve the right to revise the crediting rate at any time by giving You thirty (30) days' written notice. Any revision in crediting rates will take effect on the 1st business day of each calendar month. Please refer to our Tiq website for the latest crediting rates.

Bonus Crediting Rate

For every optional supplementary rider added (excluding Dash PET Plus and fixed plan riders), a bonus crediting rate will be applicable for the first S\$10,000 in the Account Value.

Interest is calculated based on the daily Account Value as long as the optional supplementary rider is in force, and it will be added to the Account Value at the end of each calendar month. If the average daily Account Value for the calendar month falls below S\$50, no interest will be given for the calendar month.

We reserve the right to revise the bonus crediting rate at any time by giving You thirty (30) days' written notice. Any revision in bonus crediting rates will take effect on the 1st business day of each calendar month. Please refer to our Tiq website for the latest bonus crediting rates.

Top-up(s)

You can make an ad-hoc Top-up to Your policy immediately after the Policy issue date, subject to Our approval.

The Top-up(s) made are subject to the following conditions:

- the Life Insured has not reached Age 76 on the date of the Top-up(s);
- Top-up(s) amount must be in multiples of S\$1; and
- the minimum amount must be at least S\$1 for Top-up(s) using Dash Wallet/PayNow and at least S\$50 for Top-up(s) using eNETS; and
- the maximum amount per Top-up is S\$50,000 less Account Value

The Account Value will increase by the amount of Top-up(s) made to the policy.

Death Benefit

Upon death of the Life Insured while the policy is in force, We will pay 105% of Account Value, less any amounts owing to Us. When We make this payment, the policy ends.

Surrender Benefit

You may surrender Your Policy in full or partially through partial withdrawal.

Upon full surrender, We will pay the Surrender Benefit in one lump sum which is equivalent to the Account Value, less any amounts owing to Us. You may request for a full surrender any time after the free look period.

We reserve the right to delay the payment of the Surrender Benefit for up to a period of 6 months from the date of the surrender request. We may exercise this right when there is a surge in surrenders or partial withdrawals within the Portfolio during a very short period of time.

Partial Withdrawal

You may request for partial withdrawal(s) anytime after the Policy issue date, subject to the following:

- The withdrawal amount must be at least S\$1 (or its multiples) per withdrawal; and
- The remaining Account Value must be at least S\$1 after deduction of withdrawal amount and withdrawal charges(if) any; and
- After withdrawal, the average daily Account Value for the month must be at least S\$50 to be entitled for interest to be added at the end of the calendar month.

Partial withdrawal will reduce the Account Value by the withdrawal amount and the transaction fee (if any).

We reserve the right to delay the payment of the withdrawal amount for up to a period of 6 months from the date of the withdrawal request. We may exercise this right when there is a surge in surrenders or partial withdrawals within the Portfolio during a very short period of time.

Yearly Renewability

This is a yearly renewable plan and the policy term is 1 year. At the end of the policy term, Your Policy will be renewed automatically for another 1 year with the same conditions on the expiry date before renewal, so long as the following conditions are met:

- (a) this Policy is in force on the expiry date before the renewal; and
- (b) the Life Insured has not reached Age 100 at the renewal date.

We reserve the right to terminate Your policy by giving you 90 days' notice. Upon termination, We will refund the Account Value, less any amounts owing to Us.

Maturity Benefit

Your Policy will mature on the policy anniversary immediately before the Life Insured attains 100 years old. If the policy is still in force at maturity date, the Maturity Benefit payable is the Account Value less any amounts owing to Us.

Termination:

Your policy will be terminated when one of these events happens first:

- (a) We paid out 100% of the Death Benefit;
- (b) Life Insured is deceased;
- (c) We paid out 100% of the Maturity Benefit on the maturity date;
- (d) Your Account Value is less than S\$1;
- (e) 90 days after We give You notice that the policy cannot be renewed;
- (f) We receive Your written request and accept Your request to terminate the policy; or
- (g) Any other cause of termination as permitted under or any change of laws or regulatory requirements, including court orders.

Fees and Charges:

A transaction fee of S\$0.70 will be charge for each partial withdrawal, surrender or free look request into PayNow. A transaction fee of S\$0.50 will be charged for each surrender request via Direct Credit. However, no transaction fee is applicable for partial withdrawal or free look request into Dash Wallet.

You do not need to pay any charges on small Account values or inactive Dash PET 2 policy (no top-up transaction or partial withdrawals made). However, We reserve the right to change this by giving You 90 days' notice.

Update on policy status:

An annual policy statement will be sent to You. This document aims to keep You informed of the status of Your Policy such as the Account Value, total Top-up(s) and total partial withdrawal(s).

Exclusions:

There are certain conditions under which no Benefits will be payable.

We do not pay the Death Benefit if the death is directly or indirectly, wholly or partly caused by:

- (a) Life Insured commits intentional acts (sane or insane) such as self-inflicted injuries, suicide or attempted suicide within the first 12 months from the Policy issue date, the last Top-up transaction made or policy re-activation date (where applicable), whichever is later. When this happens, We will return the Premiums paid (less any amounts previously paid to You under this policy) without interest, less any amounts owing to Us from this policy.
- (b) Death due to Pre-existing conditions throughout the policy term. When this happens, We will return the Account Value on the date of death occurrence, less any amounts owing to Us from this policy.
- (c) When there is condition(s) specific to the Life Insured which We will not cover, We will state them on Our offer of conditional acceptance, the Certificate of Insurance and Endorsement. If the Life Insured suffers directly or indirectly from the excluded events, We will return the Account Value on the date of event occurrence, less any amounts owing to Us from this policy.

Premiums:

This is a Single Premium policy.

Select additional benefits according to your need(s)

You may add optional supplementary riders to this policy for extra protection and wealth accumulation needs. The Insurance cover charge for the riders will be deducted daily from the Account Value of this policy.

For more details on the riders, please refer to the respective riders' product summary.

Impact of Early Surrender:

As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total Premiums paid.

Free Look Period:

You may return this policy for cancellation within 14 days after You receive the policy document, for any reason. We will deduct any costs incurred by the Company in assessing the risk under the policy, such as payments for medical check-up and other expenses, from the premium You paid. Any partial withdrawal previously paid to You under this policy and transaction fee (if any) will also be deducted. The balance of Account Value and interest calculated on daily basis (if any) will be refunded to You.

If Your policy document is sent by email, We consider this policy is delivered to You 1 day after the date of emailing.

Assignment:

You are not allowed to transfer (assign) your policy to another person and/or entity unless the policy has been assigned to you by the Group Policy Owner.

We will have to agree to the assignment in writing in order for it to be effective. When we do so, you may not make any further transfer until the previous transfer has been properly cancelled by the Assignee.

We will not be responsible for the validity of any transfer of policy.

Nominees:

You are not allowed to make nomination of beneficiary under this policy unless the policy has been assigned to you by the Group Policy Owner.

Where the Group Policy Owner is an entity, nomination of beneficiary is not allowed.

In the event the policy has been assigned to You by the Group Policy Owner, subject to the current laws and regulations, nomination can be made by giving us written notice in the prescribed form. However, if there is a trustee(s) appointed or created under the policy, the trustee(s) must consent before any change can be effected.

Repurchase:

Re-purchase within the same Portfolio is not allowed once you cancelled or exercised free look or surrendered your policy. You may submit a new application after a 3-month freeze period, subjected to the updated policy acceptance terms (if any). For full details, please refer to Eligibility Rule available at our Tiq website.
