There is no restriction as to the Life insured's residence, travel and occupation, unless We state differently in the Endorsements.

1.3 Policy Currency

All Premiums and Benefits of this policy are in Singapore dollars, unless We state differently on the Policy Information Page.

2. Policy Owner's Protection Scheme

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for Your policy is automatic and no further action is required from You. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact Us or visit the Life Insurance Association (LIA) or SDIC websites (www.lia.org.sg or www.sdic.org.sg).

3. Our Responsibilities

This is a regular Premium endowment plan designed to provide a Yearly Cash Benefit starting from the end of the second Policy year and a Maturity Benefit at the end of the policy term.

This plan also provides coverage against death, terminal illness and accidental death (on or before reaching the Policy anniversary when the Life insured attains Age 80) during the policy term. It also waives the Premium of the policy if You become totally and permanently disabled (on or before reaching the Policy anniversary when You attain Age 86).

You can choose Your premium payment term to be two (2) or five (5) years. Depending on Your choice of premium term, the policy terms available ranges from six (6) to fifteen (15) years.

This is a Participating life insurance policy. It allows You to participate in the performance of the Participating fund in the form of bonuses that are not guaranteed.

This is a guaranteed issuance policy which means that We issue this policy without asking for Your health declaration or medical checks at the time of application.

Your policy covers the Benefits described below.

3.1 Yearly Cash Benefit

You will receive a guaranteed Yearly Cash Benefit starting from the end of the second Policy year until the policy matures, as long as the Life insured is alive and the policy is in force.

The Yearly Cash Benefit is 3.9% of the Face value.

You may accumulate Your Yearly Cash Benefit with Us at the prevailing interest rate. The prevailing interest rate is non-guaranteed and We may change the interest rate at any time by giving You thirty (30) days' written notice. You may withdraw the Yearly Cash Benefit accumulated with Us at any time with no charges but the minimum withdrawal amount each time is the lower of either S\$1,000 or the entire amount.

Before We make any payments, any amounts owing to Us will first be deducted.

If You did not state your choice of Yearly Cash Benefit payout option, the default option is to accumulate Your Yearly Cash Benefit with Us at the prevailing interest rate which is non-guaranteed. You can write in to Etiqa to change Your option fourteen (14) days before Your Yearly Cash Benefit payout.

3.2 Surrender Benefit

Upon surrender, the Surrender Benefit is paid in one lump sum. The total Surrender Benefit payable is the sum of the following:

- a) the guaranteed Surrender value; and

3.3 Maturity Benefit

Upon maturity if the policy is still in force, the Maturity Benefit payable is the sum of the following:

- a) the guaranteed maturity value; and
- b) performance bonus (if any); and
- c) Yearly Cash Benefit and Non-Guaranteed Yearly Cash Benefit accumulated with Us (if any); less any amount owing to Us.

3.4 Extended Grace Period Option

- h) if You are retrenched from a full-time employment which You have not worked for at least six (6) consecutive months immediately prior to the retrenchment.

If the required Premiums are not paid by the expiry of the extended Grace Period, We will pay the Premiums for You so that the policy can continue provided that Your policy has accumulated enough Surrender value to pay for the Premiums. This is a loan (automatic Premium loan) from Us and We will charge You an interest on the loan. Interest accrues on a daily basis. If Your policy do not have enough Surrender value, Your policy will lapse. We will deduct the loan and interest from any amount We may be due to pay under this policy.

You may repay the policy loan and interest at any time. If the policy loan plus interest is more than the total Surrender value, this policy will end.

We will deduct the policy loan and interest from any amount We may be due to pay to You under this policy.

3.7 Paid-up

You may convert this policy to a Paid-up policy so that You do not have to pay future Premiums. The coverage will be reduced. After conversion to Paid-up policy, We will stop adding bonuses to Your policy. Policy loan is not allowed after conversion to Paid-up policy.
